

## **Hungarian national characters**

### **F.A.Q.**

Q: Which are the Hungarian national characters?

A: á é ú ü ő ó ö ő í

Q: How do I know that something went wrong?

A: If you see these: ô û. (Contact us immediately.)

Q: Why did I receive the first page of the translation in an Adobe Acrobat PDF file?

A: So that you can compare your MS Word document with the portable format file and see if the accented characters tie out with each other in the two files.
